

BIRLA INSTITUTE OF TECHNOLOGY AND SCIENCE
PILANI
BITS Alumni Affairs Division

Prof. K.E. Raman
Chairman

June 19, 2010

Greetings to BITS Alumni all over the globe from the newly created office of BITS Alumni Affairs Division (BITSAA Division)

Almost a year back there was a proposal mooted by BITSAA International and various India chapters for a Global Meet. BITSAA Division is now happy to announce the first ever Global alumni homecoming convention at Delhi during Jan 7-9, 2011 - organised in association with the India Chapters and BITSAA International. I would like to place on record our appreciation of the enthusiasm with which Alumni Chapters have taken up this project – special mention about the efforts and initiative of the Delhi Chapter.

BITSAA Division takes pleasure in associating with this mega event on behalf of the Institute. The organizers have produced a big wish list which you may find in the enclosed letter. I am sure BITS alumni will rise to the occasion to make this event a big success. I also hope that this event will eventually become an annual event.

With best wishes.

(K.E. RAMAN)
